1968 ANNUAL MEETING

It is time to start making plans to attend the 1968 Annual Membership Meeting. The Tides Hotel and Bath Club at Redington Beach will house the meeting this year. The cost will be $56.00 per couple, double occupancy, and $35.00 per person single occupancy. This package deal will include two night's lodging, dinner on Friday evening, breakfast and a beach party on Saturday, breakfast and luncheon on Sunday. Sales tax and gratuities for these functions and room tax is included in the package price.

The date of the Annual Membership Meeting has been set on June 21 thru 23rd. You will receive a reservation form from the hotel soon. Be sure to fill it out and mail it at once. Shall we have the biggest meeting ever this year?

The theme of this Annual Membership Meeting will be - "Tropical Paradise in Florida." The Necrology service will have a Hawaiian flavor also. There will be the usual plant drawings (if we can get some plants donated) and the loud shirt and shift contest. Also there will be an added category of the most authentic Hawaiian dress for both men and ladies. Prizes going to the best in each of the classes.

Another added attraction of this year's meeting will be the lecture by Professor John V. Watkins of the University of Florida on Saturday afternoon. His lecture alone will be worth the price of the meeting.

Here is the schedule of events for the "Tropical Paradise in Florida."
